Sir,

Establishment - Highways Department - Recovery of proportionate establishment charges - 1951-52. - Provisional demand - payment of - regarding.

The proportional Establishment charges for 1951-52 amounting to (Rs. 32,597-0-0) Rupees thrity two thousand five hundred and ninety seven only as per the demand made by the Chief Engineer, Highways, Madras were sanctioned by the District Board in its Resolution No. 20 dated 23-3-1953 and the Divisional Engineer Highways, Mangalore was requested to pay the amount to the Highways Department.

2. The Divisional Engineer Highways informs me that the amount was not paid by him as there was no sufficient amount to the credit of the District Board at his disposal to enable him to pay the establishment charges in time. As regards the unsatisfactory financial position of the District Board, a report was already made to Government in this office Ref.5026-B2-53 dated 13-6-53 and a further report is being sent to Government explaining the present financial position of the Board.

3. As the postponement of the payment of the proportionate Establishment charges was for want of funds, I request that the Government may be pleased to permit the District Board to pay the amount by the end of the current official year or as soon as the grants are sanctioned by the Government for wiping off the deficit.

Special Officer,
South Kanara District Board.
